Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Thursday 28 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Wet and windy with heavy rain at times.

This Evening and Tonight:
Turning wetter in the far east of the region, with bursts of heavy rain possible across the whole region. Some drier periods into the early hours of the morning but remaining cloudy. Minimum temperature 11 deg C (52 deg F).

Friday:
Rain clearing eastwards across the region through the morning. This will be followed by brighter skies and occasional showers that could turn heavy at times, mainly in the west. Maximum temperature 15 deg C (59 deg F).

Outlook for Saturday to Monday:
Changeable for the weekend and to start next week with periods of rain, heavy at times, though some drier and sunnier spells. Windy with a chance of gales. Feeling cooler.
